Report Analyst Meeting Minutes

Attending

Pooja Tiwari (Lead)

Simran Chauhan

Amsh Shrestha

Announcements

- The team held an initial meeting to discuss the responsibilities of the Report Analyst role.
- It was agreed that all team members will review the class materials to build a clear understanding of the role and reporting requirements.

Discussion

- The team discussed how to move forward with the Report Analyst responsibilities.
- Members shared ideas on understanding the expectations of the role before beginning the assigned tasks.
- It was decided that the class materials provided by the lecturer will be the primary resource for learning the reporting process and required skills.
- The team agreed to review the materials individually before the next meeting and discuss any questions or challenges encountered.

Action Item

- Introduced the team agenda and objectives.
- All members will review the class materials before the next meeting.
- Amsh Shrestha will lead the next meeting.
